

Convention 2018

“Way to Go – Model Railways”.

Dear Modeller,

On behalf of the Organising Committee, I would like to invite you to attend the
“2018 Modelling the Railways of Queensland Convention”.

This year, the convention will be held on **Saturday, October 13th**, a little later than previously due to two local exhibitions being run in August.

The venue will be the Beenleigh Events Centre, Cnr Crete and Kent Street, Beenleigh.

For the 2018 Modelling the Railways of Queensland Convention, the theme is “Way to Go – Model Railways”.

We have a program to suit the regulars and the newcomers to the hobby.

The presentation format is similar to the previous Conventions covering Modelling Queensland, Narrow Gauge and general modelling topics. They include prototype information, modelling and how to adopt prototype operations to your layouts. Various demonstrations are planned where you can ask questions or maybe have a go yourself.

For the first time we are having a Modelling Display where delegates are encouraged to bring a model to display. It can be anything you have built, a kit or something you are working on.

After the presentations on Saturday you are welcome to join us at the Beenleigh RSL for a chat. Meals on the menu are good and the price is not over the top.

On Sunday, October 14th, we are planning a visit to Pioneer Steam Railway, the day will include a train ride, visit the Cooneana Heritage Centre on a heritage bus and a look over the Box Flat Workshops. Lunch at your own cost at the Racehorse Hotel or Hungry Jacks at Bundamba.

Please address all enquiries to email address as above:-

Enclosed are:-

“Convention Information”; “Details of Presentations”; with
“Convention Registration Form” to be returned with your convention fee.

The MRQC Committee are looking forward to your company in October 2018..

Regards,

Peter Dusha. MRQC 2018 Secretary.
